Dear Sir,

Dr. B. W. Holloway has applied to the National Health and Medical Research Council for a grant for research and has nominated you as a person to whom reference can be made for a confidential report.

I would appreciate your opinion of the proposed research and the ability of the applicant to carry this out.

A copy of Dr. Holloway's report is enclosed.

Yours faithfully,

A. J. Metcalfe
(A. J. METCALFE)
Chairman,
National Health and Medical
Research Council.
